<b>Risk Levels</b>	Little to None	Minor	Moderate	Major	Extreme		

# Weather Key Points

Regional Operations Center

Western Region

Friday, July 22

- Some slight cooling of temperatures Friday for far northern and coastal portions of the state, but in general seasonably hot temperatures are still expected in many locations
  - Moderate to locally high heat risk impacts will remain possible across the Central Valley and interior Southern California
  - Warmer temperatures and areas of moderate to locally high heat risk could return to Northern California for the middle of next week.
- Breezy winds will also continue for many inland mountain and foothill locations and the southern deserts, bringing locally elevated fire weather conditions most afternoons and evenings
  - Critical fire weather conditions are expected in portions of Kern and Los Angeles Friday afternoon and Friday night.
  - Gusty winds to 45 mph are possible across the southern mountains and towards the Santa Barbara Coast Friday afternoon through early Saturday morning
  - Widespread critical fire weather conditions are not currently expected over the next 7 days
- Mostly dry conditions are expected to continue into the weekend
  - Increasing chances of showers and thunderstorms are possible across Southern California as early as Sunday and continue through next week

# Heat Risk

Regional Operations Center

Western Region

Friday, July 22

Friday

Saturday

Sunday

Green	Level 0	No Elevated Risk
Yellow	Level 1	Low Risk for those extremely sensitive to heat, especially those without effective cooling and/or adequate hydration
Orange	Level 2	Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration

Red	Level 3	High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
Magenta	Level 4	Very High Risk for the entire population due to long duration heat, with little to no relief overnight

# Weather Outlook (6-14 Days)

Regional Operations Center

Western Region

Friday, July 22

## **6-10 Day Outlook (July 27 – July 31)**

### **Temperatures**

- Above normal temperatures are favored across much of California, with greatest likelihood for above normal temperatures across northeast portions of the state. Near normal temperatures are favored across far southern California.

### **Precipitation**

- Below normal precipitation is favored across far northern California, and above normal precipitation is favored across southeastern California and into the southern Sierras. Otherwise, near normal precipitation is favored for the remainder of the state.

## **8-14 Day Outlook (July 29 – August 4)**

### **Temperatures**

- Above normal temperatures are favored across much of California, with the greatest likelihood for above normal temperatures across northeast portions of the state. Near normal temperatures are favored across far southern California.

### **Precipitation**

- Near normal precipitation is favored for northern and coastal California, with above normal precipitation favored in the southern central valley areas, central and southern Sierra Nevada, and across southeast California (along the Nevada and Arizona borders)

## SITUATION SUMMARY

### Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

#### 2022 May Monkeypox Virus

The California Department of Public Health (CDPH) has activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to 2022 May Monkeypox Virus Event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

- Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

#### Cal OES INLAND REGION

##### Extreme Fire Danger and Extreme Drought Conditions, Proclamation, Sierra County

- On 07/21/22, a proclamation was received from Sierra County due to extreme fire danger and extreme drought conditions. The county is requesting for the Governor to confirm a State of Emergency.

#### Cal OES COASTAL REGION

- Nothing significant to report.

#### Cal OES SOUTHERN REGION

##### Heat Plan Activation, San Diego County

- On 07/21/22 at 1100 hours, San Diego County will activate its Heat Plan at Level 2.

# **COVID-19 SUMMARY**

## **Coronavirus Disease 2019 (COVID-19)**

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

## **SMARTER Plan**

On 02/17/22, Governor Newsom unveiled the "[California SMARTER Plan: The Next Phase of California's COVID-19 Response](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions.

## **CDPH Statewide Travel Advisory**

- For more information: [CDC Travel Guidelines](#)

## **Confirmed California COVID-19 Cases - Per California Department of Public Health Tracking COVID-19 as of 07/20/22 at 1630 hours:**

- 9,752,509 total confirmed cases.
  - 133,111 Delta
- 92,292 total deaths.
  - 237 Delta
- Please see the most recent "Situation Report - COVID-19" attachment for additional details.

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Enforcement Missions

**2022-LAW-80377:** Humboldt County Sheriff's Office requested (2) SHRD K9's for LE sensitive investigation on 8/11/2022. Woof and CARDA have accepted the mission and will respond on the 11<sup>th</sup> to an undisclosed location in Humboldt County. **Mission On-Going**

**2022-LAW-80383, 07/21/2022 at 1210 hours:** the AFRCC contacted CalOES Law Branch regarding an ELT sounding in Amador County. AFRCC dispatched the Civil Air Patrol to Eagle's Nest Airport, 17069 Lambert Rd, Lone. At approximately 1900 hours the ELT was located and silenced. No emergency reported. **Mission Closed**

**2022-LAW-80391, 7/21/2022:** The San Diego County Sheriff's Office contacted CalOES Law Branch for assistance in locating an elderly male subject approximately 76 years of age who had Parkinson disease and not returned home from a walk. He was last seen on Monday at approximately 1700 hours. San Diego has been searching for days without success. San Diego requested SAR Mutual Aid on Saturday, 7/22/2022 @ 0800 Hours. (30) Type 1 or 2 searchers, (4) Area K9's and (4) HRD K9's was requested. All assets were to report to the ICP located at 2960 La Posada Way, Julian Ca. The LDO contacted the following agencies for support: Los Angeles Sheriff's Office, Orange County Sheriff's Office, Riverside Sheriff's Office and San Bernardino Sheriff's Office. Coordination is still underway. CARDA and WOOF agreed to support the mission and were sending the requested K9's. **Mission On-Going**

**2022-LAW-80395, 7/21/2022 at 1400 hours:** Yolo County Sheriff's Office requested assistance near Stan's Marina in Clarksburg (31070 S. River Road) for a missing person in or around the Sacramento River. A 74-year-old male subject's vehicle had been located after having been missing since 7/18. The subject's family reported he was depressed and despondent. Yolo County requested multiple K9's to help search the dense brush surrounding the river shorelines. CARDA accepted the mission and delivered (2) Area K9's and (1) Trailing K9. **Update:** 7/21/22 @ 2200 Hours Yolo Sheriff's Office advised that the subject had not been located and all K9 assets were released. An additional request of (1) Water HRD and (2) HRD K9's was requested for 0700 hours on the following day (7/22). CARDA accepted the request and agreed to provide (2) HRD's, and WOOF agreed to send the (1) Water HRD K9. **Mission On-going**

**2022-LAW-80403, 7/21/2022 at 1445 hours:** The Mendocino County Sheriff's Office contacted the CalOES Law Branch for assistance in locating an elderly male subject, 74 years old, who was last seen at his residence (Fort Bragg, CA) on 7/20/2022. Mendocino Sheriff's Office requested (25) Type 2 searchers, (2) Area K9's and (1) Trailing K9 for a search on 7/22/22. The following accepted and agreed to send the following: Marin Sheriff's Office (17), Napa Sheriff's Office (4), Sonoma Sheriff's Office (6), CalESAR (4), for a total of (30) Ground Searchers. CARDA is sending (2) Area dogs with (2) accompanying ground searchers. Trailing K9's has yet to be located. **Mission On-Going**

**2022-LAW-80407, 7/21/2022 at 1505 Hours:** The IERCC contacted CalOES Law Branch regarding a Zoleo Send Device activation in Madera County. The coordinates: 37.692513, -119.134840 plot to an area near the John Muir Trail by Shadow Lake. The user indicated that there was a hiker in his party that had become ill and could not continue. Madera Sheriff's Office was advised of the situation and later reported at 1800 hours that CHP's H40 Helicopter extracted the ill subject and transported him to the Mammoth airport. He was then transported to the hospital via ambulance. The rest of the hiking group remained in the field. **Mission Closed**

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Enforcement Missions

**2022-LAW-80427, 7/21/2022 at 2020 Hours:** Shasta County Sheriff's Office contacted CalOES Law Branch regarding an out of county LEMA request on behalf of Redding Police Department (RPD). RPD requested assistance from Tehama County Sheriff's Office for the use of their armored vehicle, "Bearcat". RPD was involved in an incident with an armed and barricaded suspect at 2171 Market Street, Redding. Tehama accepted the mission and deployed with the Bearcat and driver only. No additional teams were requested. **Mission On-Going.**

**2022-LAW-80367, 07/20/22, at 2214 hours:** IERCC advised of a Zoleo Satellite Communicator SOS activation at coordinates 38.93443, -120.19421 which plots to a mountainous area off of Blakely Trail northwest of Lake Schmidell, Desolation Wilderness, El Dorado County. The original activation had no associated message. LDO contacted IERCC who indicated they had subsequently received a message stating we are lost and have no equipment to get through the night. LDO contacted El Dorado County Sheriff's Office. **UPDATE:** LDO spoke with IERCC again who advised they had further communication with two brothers (59-years-old and 54-years-old) who said they have been camping since Monday but take day hikes. Today they left camp with supplies for a day hike when they got lost, and do not have the proper clothing/equipment for the night. LDO contacted El Dorado County Sheriff's Office and provided an update. El Dorado County Sheriff's Office advised they would handle the incident. **UPDATE:** On 07/21/22 about 0656 hours, IERCC advised the lost hikers were instructed to shelter in place overnight and El Dorado County Sheriff's Office SAR would send SAR members to their location in the morning. **UPDATE:** on 7/21/22 at 1500 hours El Dorado Sheriff's Office advised that contact was made in the field by SAR Team Members, but assistance was refused. EDSO hiked out without rendering aid. **Mission Closed.**

**2022-LAW-80357, 7/20/2022, at 1434 hours:** IERCC advising of an InReach SOS activation at GPS Coordinates 36.479180 -118.406117 plotting along the High Sierra trail within Sequoia-Kings(SEKI) NPS. IERCC has received texts from the registered owner (R/O) saying there are two in his hiking party, and they believe both have come down with Covid. They are having trouble breathing and unable to carry on their trek. SEKI NPS dispatch has been contacted and the activation relayed to them. SEKI NPS is working on a SAR response. **Update:** At 1751 hours, SEKI NPS advising they have Rangers hiking out to the R/O's location with a 5–6-hour eta and the R/O had been notified of the response. At 2123 hours, SEKI NPS advising Rangers are with the R/O at the given location and are stable. They are going to bivouac overnight with them and reassess in the morning if the R/O is able to hike out or be airlifted out. **Update 7/21/22 @ 1400 Hours:** SEKI advised Rangers were out with the individuals and monitoring their status until they were able to hike out; presumably 7/22 in the early AM. **Mission On-Going.**

**2022-LAW-80307, 07/19/22, at 1554 hours:** CSWC received a request from Tulare County Sheriff's Office to provide two SHRD canine teams for assistance with a homicide investigation in Tulare County. The teams were requested for 07/25/22. LDO contacted Tulare County Sheriff's Office and advised them AC Fowler would be in contact to handle the request. **Mission Ongoing.**
